

CAMBODIAN SCHOOL STUDENTS - APPEAL FOR SPONSORSHIP

Dear Sir/ Mdm,

Colors of Cambodia, has been a project for underprivileged Cambodian children for the last 10 years, teaching drawing and painting skills to Cambodian children. We are initiating a second more targeted project to help underprivileged and needy Cambodian children. The new project focusses on helping Cambodian children continue, or start, their general education.

Thai Zo & Khnar Char schools (two of whom we have targeted as being the most needy) are located in rural Seam Reap, Cambodia, and are seeking sponsorship to enable students to go to school, or continue, their schooling. In Cambodian schools teaching is very basic, but vital, for underprivileged school children.

There are 2 examinations a year (Jan & Jun), with 3 subjects - Social Studies, Khmer and Mathematics, or Grade 1-3 students.

There are 4 Subjects - Social Studies, Khmer, Mathematics, and Science, for Grade 4 - 6 students. Schools will reopen on 1st Oct every year, after a long term school holiday from 1 August - 1 Oct. The due date for sponsorship money collection is end of July each year. This is essentially for the purchase of items as below for each child each year.

- 1) 5 ballpoint pens
- 2) 2 uniforms (blouse/shirt and trousers/skirt)
- 3) 3 pair of sandals
- 4) 1 stationery set
(each set contain "1 Compass, 1 Ballpoint pen, 1 Pencil,
1 Sharpener, Ruler, 1 Protractor and 1 set square")
- 5) 18 books for each student in grade 5 & 6,
15 books for each student in grade 4,
10 books for each student in grade 2 & 3.
- 6) 1 school bag

Many Cambodian families cannot afford even the smallest, simplest things, and that includes materials to send their children to school. Inability to have the above means that a child will not go to school, denying them their right of education and a future.

We humbly seek your generosity and kindness to sponsor a Cambodian child, to assist them to continue their education, otherwise, due to lacks of funds they will drop out of education. Sponsorship per child per year for the first time is RM190 / USD60 (extra RM50 /USD20 for a book " a story of Colors of Cambodia" as a donation for the upkeep of Colors of Cambodia.

The following year the fees are USD40 / RM140.

Kindly fill up the form (2 copies) and return to Ms Honey Khor (Khor Pei Yeou).
