How did you hear about Colors of Cambodia?

Are you comfortable assisting in Art Classes in Public schools and leading Art Workshops in Colors of Cambodia's Gallery?

Give a brief overview of relevant education and employment history (paid or unpaid), including your roles, names of organisations, subjects studied etc.

Do you have any relevant teaching experience? If yes please provide details of your role, company or organisation etc.

Please describe any specific experience you have working with children and young people.

What do you understand by the term 'professional boundaries'? Give an example relevant to working with children.

Procedures, codes of conduct and rules are essential for the running of any organisation. What would you do if you felt that one of them had been broken?

Do you have any questions for us?
